Coordinator of Fine Arts

April, 2017

Dear Parent,

Congratulations, your child's artwork will be on display at the Rockwood District Art Show! This is a great honor.

Artwork from all Rockwood schools, Pre-K through Grade 12, will be included in the exhibit. Each art teacher has a limited amount of display area in which to showcase art created by his/her students. Works were selected that demonstrate creative thinking and curriculum concepts. The art show will be a visual walk through the Rockwood Art Curriculum with elementary, middle, and high school art in different areas. Explore each area and enjoy seeing the progression of knowledge and skills.

On behalf of your child's art teacher, building principal, and Rockwood district-level administrators, I extend this special invitation for you to attend the exhibit. Please mark your calendars with the following information so that your family and friends can see your child's work along with other outstanding examples of art in the Rockwood School District.

Admission is free. There will be artist demonstrations, and activities for the kids (i.e. face painting and a sidewalk chalk area).

When: April 22 & 23, Noon - 3:30 PM Daily

Where: Crestview Middle School 16025 Clayton Road Ballwin, MO 63011

We anticipate that parking at Crestview will be insufficient to handle the volume of visitors. The Clarkson Executive Park located at 15933 Clayton Road Ballwin, MO 63011 will serve as an official satellite parking location. A free shuttle bus will run continuously between the satellite parking lot and the event site throughout the show.

I look forward to enjoying your talented student's artwork with you!

Sincerely,

Megan Meier
