Little Wildcat Connect

January is an important goal setting and reflection time as we start a new semester and a new calendar year. Second quarter grades will be posted to the Infinite Campus Parent Portal on Wednesday, January 11 and can be viewed through Thursday, January 26. Please note the change in date due to our snow day. This is a great time to talk with your child as you review the report card to hear how they think they have grown this school year and what their strengths have been. As adults, we often set New Year's Resolutions. Encourage your child to set academic goals for the remainder of the school year, and cheer them on as they take steps to reach those goals.
